The halftime events included the marching band and the choosing of a queen. K club members served as escorts to the candidates who were Diane Bugaj, June Filonovich, Elizabeth Anderson, Laverne Mackowiak and Sandy Kool. The 1969 queen, Diane Bugaj was presented a bouquet of roses by Dr. Kelley. That night a dance was held in the boy's gym celebrating Kelley victory.

Homecoming Activities

Trojan Victory

A week of Homecoming activities led up to the climax, the game. To trigger some school spirit, a Secret Student Day, Green and White Day, I Hate Boys Day, Cutest Legs Contest, and a Pep Rally were planned by the Student Council. Twelve busloads of Kellyans were treated to the halftime events and watched the Trojans beat Forrestville 42-14.

The Community Council Queen Candidates are: **Row 1** — R. Lattyak, J. Haduch, C. Wazlo, K. Fox, D. Gutknecht, B. Wantroba, T. Rolowicz. **Row 2** — M. Rehbock, C. Gryska, C. Bates, S. Cytlak, R. Cepas, C. Osoba, R. Seckus. Not pictured is D. Tvarkunas.

Community Council Dance

With Don Carone providing the music, Kelly launched its annual Community Council Dance held at the St. Joseph and St. Anne hall throughout the night of November 7. The highlight of the evening came when Cindy Osoba escorted by Jim Bielski was crowned 1969 C.C. Queen by last year's queen, Leandra Gonzales.

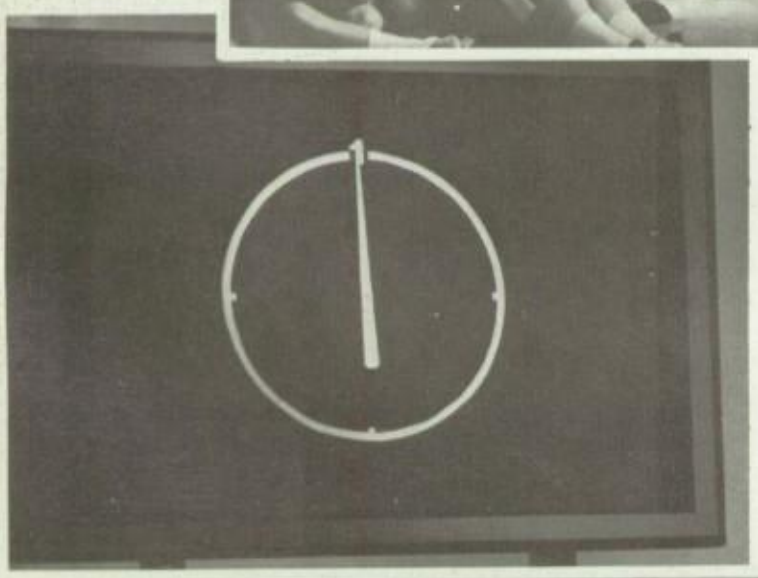
IT'S ACADEMIC

It's Academic

Once again, Kelly High School was asked to compete in It's Academic. Dennis Suchta, Connie Drzymala, and Jim Hisson composed this year's team. Other participants were Senn and Orr High Schools.

Although we didn't win, our team provided many moments of excitement for our boosters. The score was in our favor until the third round when Seen outscored Kelly and put us in second place.



Dear Nancy,

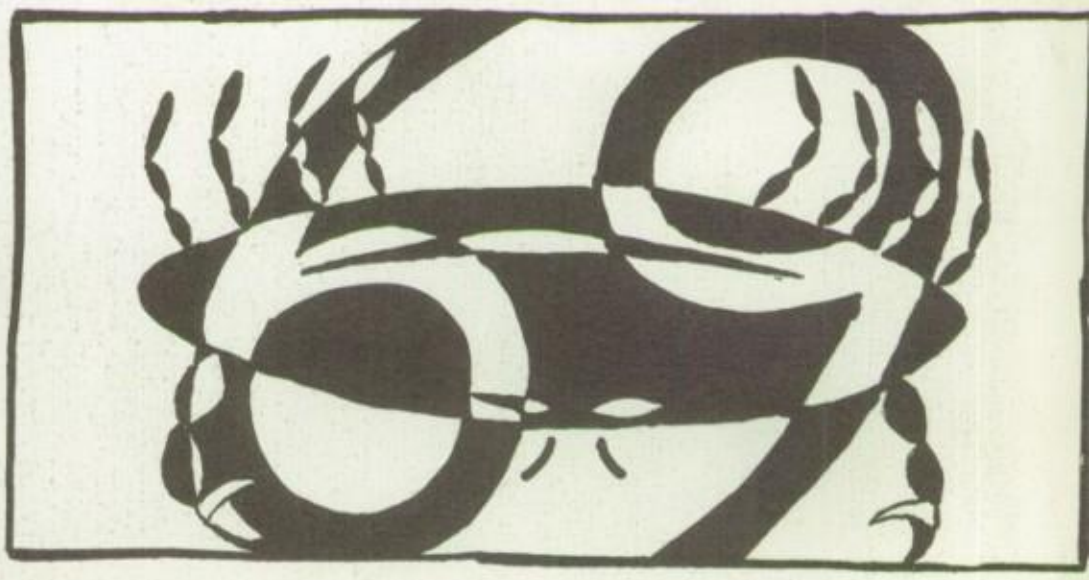
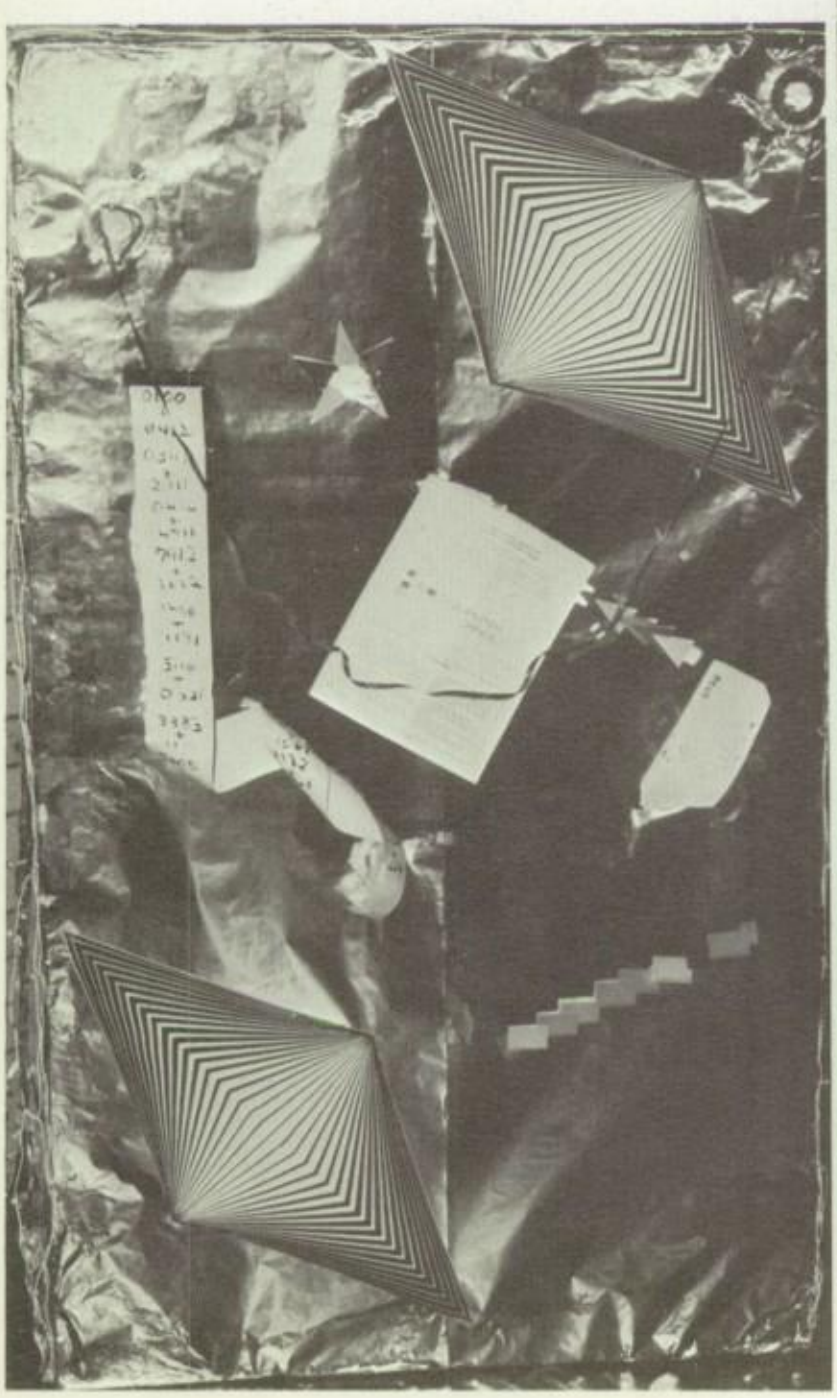
Computer Dance

Something new at Kelly this year was a Computer Dance sponsored by the Student Council. The students filled out IBM cards which were processed through a computer, later at the dance students met their matches. The Sounds of Knight **provided the music to this most successful dance that the Student Council has ever held.**





Orange

Through hard work and determination, the Kelly high School Band has become one of the finest bands in Chicago. Because of this, they were able to represent Kelly and Chicago in the Orange Bowl Parade in Miami Florida.

Bowl

During the week they spent in Miami, they participated in the Junior Orange Bowl Parade, the Official Orange Bowl Parade, a concert at a well-known shopping center, and in a Gatorade commercial.

Football

The stars shone on Coach Prendergast this year as he and Assistant Coach Foss guided our football team through the best season in recent years. Under Captain Ray Anciulis and Co-Captain Don Miles the team's hard work paid off in two Blue-Green City Playoffs and a 5 to 4 record, with the extra punch of a Homecoming Victory against Forrestville of 42 to 14.

Coaches and captain discuss tactics.

Oops, I lost my contact.

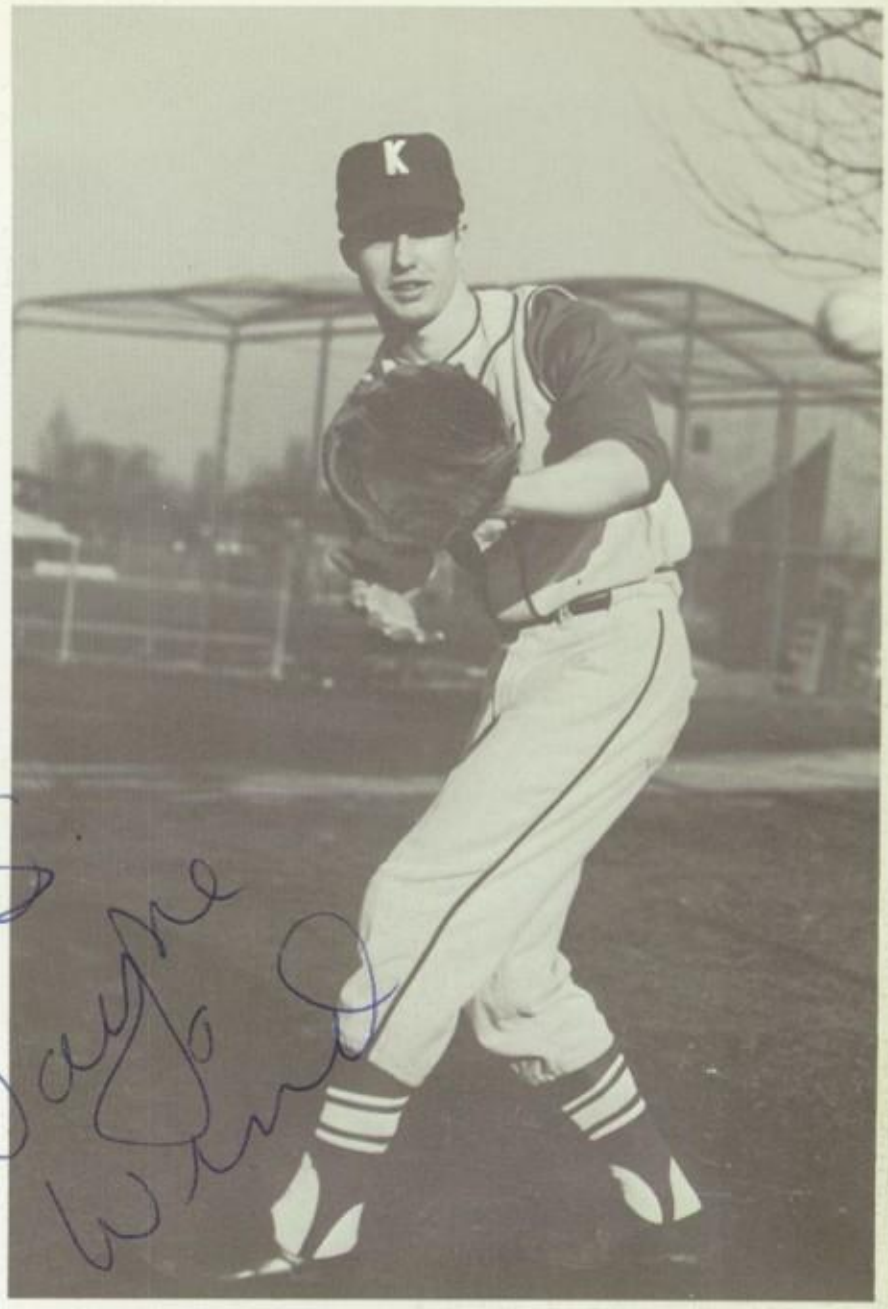
Baseball

On the diamond the baseball team again showed their superiority in all facets of the game. Last year the team went to the playoffs of the state qualifying tournament and reached the semi-finals of city competition. Despite the lack of returning varsity players, this year's team hopes to improve last year's fine record.



Good luck in H-S

Swim

With the spirit of competition high and keen, each swim team member strived for victory through the year. Coach Trybek and Mr. Kaiser, the diving coach, led them through a satisfactory season.

Good luck in A.S.

Basketball

Despite tiring practice sessions and hard work the varsity basketball team was passed up by Lady Luck. Coach Leo Kiebles molded a well synchronized unit whose floor play showed style though it frequently lacked the breaks that could have produced more victories.

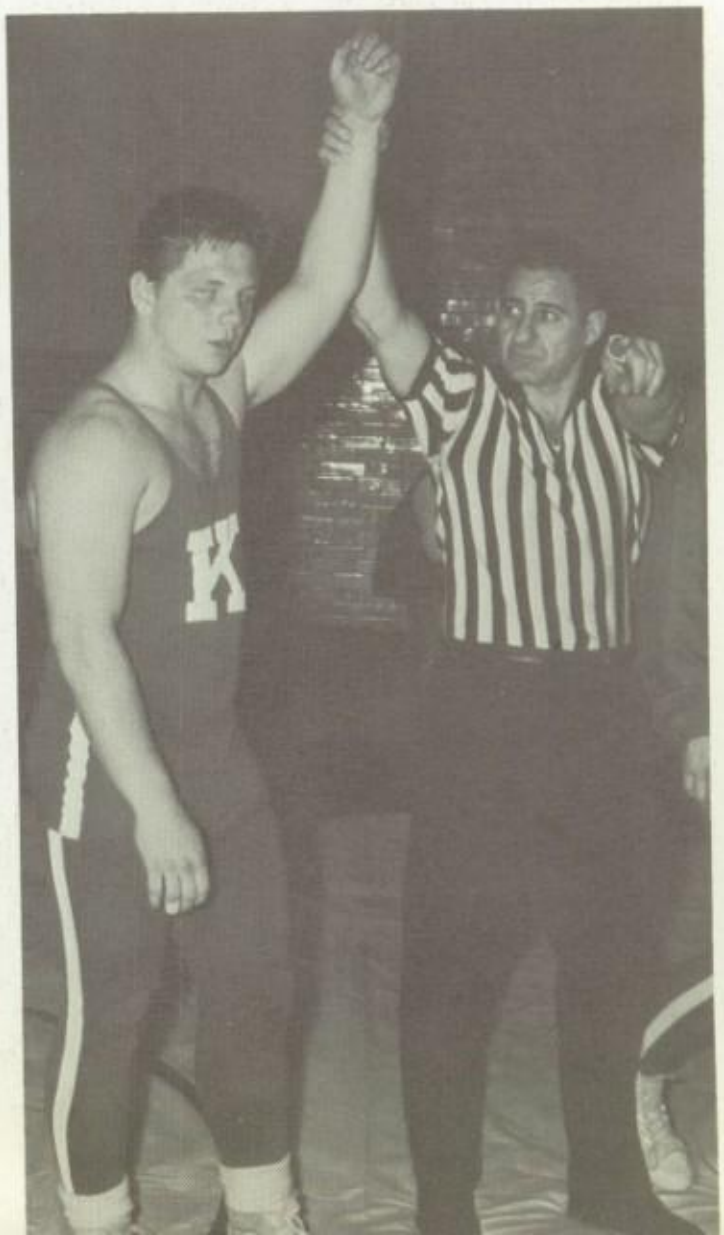
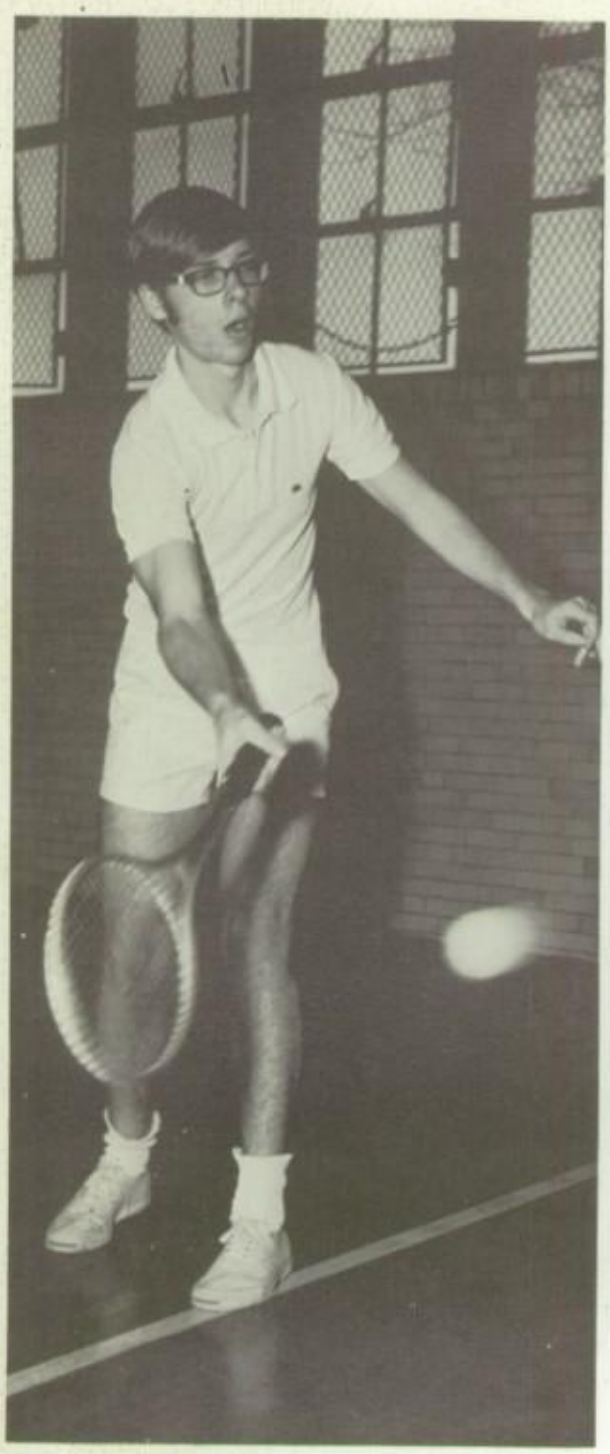
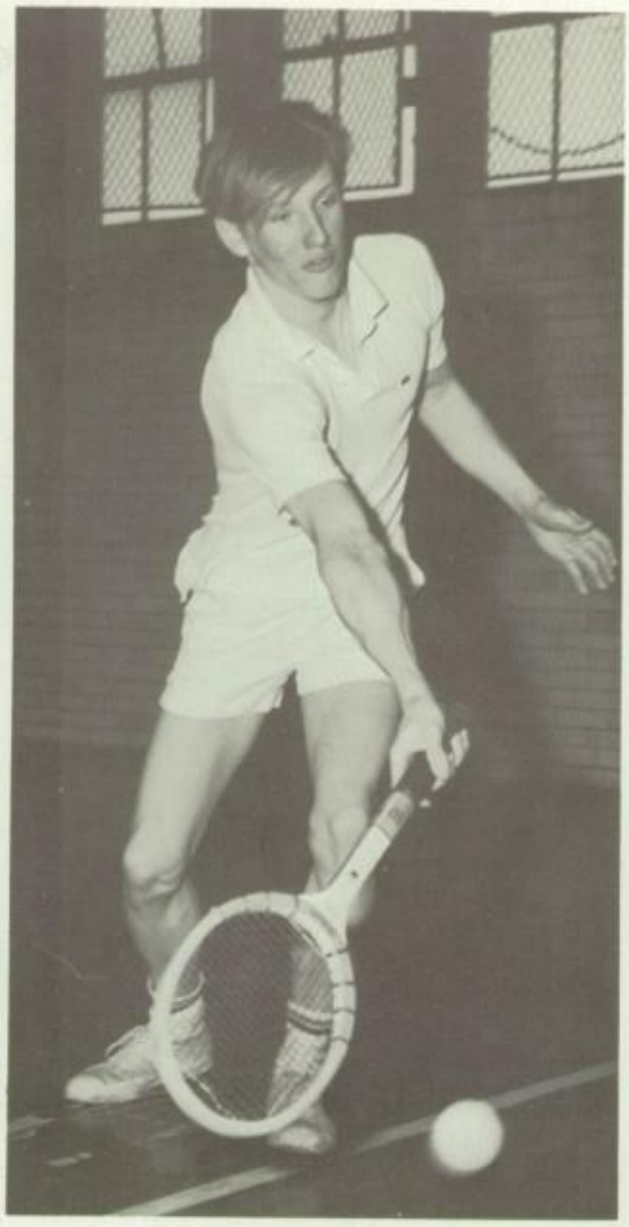
Coach Foss' matmen scored again this season as they grappled their way to a victorious ten to five record. Co-Captains J. Brieschke and S. Wodecki led their team to this fine record.

In the City Championships John Briescke came in third, and Gene Ross fourth, bringing an added distinction to their already fine showing.







Tennis

TENNIS TEAM: **Front Row:** M. Williams; B. Heppner; B. Williams. **Back Row:** Mr. Wedel, Coach; C. Komorowski; A. Laucius; D. Fukartas. Not Pictured is R. Heppner.

This year's tennis team has a lot going for it; all players are returning lettermen. Although they are one of Kelly's less conspicious teams, they are one of our most successful teams because they consistently make it to the top of city competition year after year. Unfortunately, because our book goes to the press before the games start, we aren't able to report this year's scores.

Dear Nancy,
Stay as Kute + Kool as you are now. You'll always be my best friend and its probable because Don + Pat were goin' out together. But I think Pat will be happier with out him. Well wish you luck at the main + with the guys (even though you don't need it!)
A good friend always.
Love,
Joyce

Walking through the north wing, you sometimes may hear the sweet strains of a Viennese waltz. Strange and out of place as it may seem, these melodies are the products of the Kelly High Orchestra.

The smallest of the three musical organizations, it nevertheless plays an important part in the Kelly students life by bringing the timeless classical and modern pieces to us.

The Kelly Choruses are two of the many organizations working to make Kelly special. Their instructor, Mr. Broutman, who is leading them for his first year, works daily with them in preparation for their big seasonal appearances.

Every Christmas and Spring they give their major concerts in conjunction with the other branches of the music department, adding a bit of musical beauty to our everyday routine.

Computer Programming

A machine is only as smart as you can make it. With this as their slogan, students learn the language of the computer. Miss Madura and Mr. McKenna teach students computer programming and data processing in preparation for modern jobs in a fast moving future.
